CANCELLATION NOTICE

DoD Directive 5240.6, "Counterintelligence Awareness and Briefing Program," February 26, 1986, has served the purpose for which it was intended and is no longer required.

A DoD Instruction will be issued due to the Director of Central Intelligence's discouragement of designated country threat lists; the promulgation of PD/NCS-12, "Security Awareness and Reporting of Foreign Contacts"; and changes within the DoD counterintelligence community.

EFFECTIVE DATE

The above cancellation is effective July 16, 1996.
